

Professor Edward Imwinkelried

Evidence

Professor Imwinkelried is the Edward L. Barrett, Jr. Professor of Law Emeritus at the University of California, Davis, and is recognized as a leading authority on evidence law in the United States.

His prolific career includes authoring several cornerstone legal texts, such as *Evidentiary Foundations*, *McCormick on Evidence*, and *Scientific Evidence*. He has received the Wigmore Lifetime Achievement Award, the highest distinction in American evidence scholarship.

Additionally, he has taught at prominent law schools, such as Washington University in St. Louis and the University of San Diego. He has published extensively on scientific evidence and trial advocacy, influencing both legal academia and courtroom practice.
