Subject: REMINDER: Use of Attorneys' Lounge in the Hato Rey Courthouse

The Chief Judge of the United States District Court for the District of Puerto Rico, Honorable Gustavo A. Gelpi, reminds all members of the bar that the Attorneys' Lounge space located in the first floor of the Clemente Ruiz Nazario U.S. Courthouse in Hato Rey is for the exclusive use of attorneys. **Attorneys shall refrain from using the Attorneys' Lounge space to meet with clients or witnesses to discuss case-related matters.**

The Court encourages all members of the bar to be aware and mindful of their use of the Attorneys' Lounge and how it impacts fellow counsel's access and usage of this common space.
