

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF PUERTO RICO

IN THE MATTER OF:

MISC. NO. 23-007 (SCC)

PETITIONS FOR REVIEW OF RESULTS  
OF BAR EXAMINATION

ORDER

Any candidate who does not obtain a passing score as to the Federal Bar Examination ("FBE") may seek reconsideration thereof by filing a petition for review in the case of reference, by mail (postmarked) or in person with the Clerk of the Court within thirty (30) days from the date of notification of the FBE results. This term shall be considered jurisdictional. A petition for review shall not be entertained unless the petitioner makes a showing that the granting of his/her petition would result in a passing score.

All failed applicants shall be afforded, upon request, the opportunity to review his/her FBE at the Office of the Clerk of Court for a period not to exceed one (1) hour, in preparation for a possible petition for review. During this review, petitioners are authorized to take handwritten notes as part of the preparation of a petition for review. Petitioners cannot use in the review of the exam laptop computers, mobile devices (i.e. telephones, iPads, etc.) or any other electronic equipment to take notes of the content of his/her FBE.

The petition for review must indicate the specific questions and answers allegedly graded erroneously. The answer must set forth in detail the nature of the error and the manner in which said error, if it exists, affected the validity of the question. The petitioner may include any legal citations that the committee should consider in support of the arguments of the petition. When pointing to manifest errors, petitioners may include scoring errors.

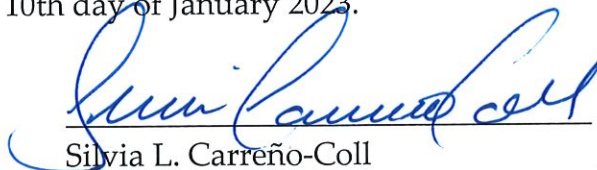

The Committee shall not entertain general, non-specific claims that do not address any particular errors, or issues concerning other candidates. Accordingly, the only objections to be considered shall be those affecting the individual petitioner. The Committee will not entertain applicant's claims of marks or selections in applicant's exam in support of his or her selection other than those that appear in the answer sheet. The Committee will only consider those alternatives selected in the applicant's answer sheet as the applicant's true intended response to each question.

The petition for review shall make no reference to petitioner's legal background or education, financial or social status, employment, personal sacrifices or needs, results of previous FBE, nor any other circumstances extraneous to the merits of the petition. A candidate shall not communicate directly or indirectly with any member of the Committee regarding their performance on the FBE or any matter relative thereto.

Any violation of these rules shall result in the denial of the petition for review.

IT IS SO ORDERED.
